

Exploded view diagram of a mechanical assembly, likely a watch movement. The diagram shows various components numbered 1 through 31. Key components include:

- 1**: A small rectangular component, possibly a spring or lever.
- 2**: A long, thin component, possibly a spring or lever.
- 3**: A small component, possibly a spring or lever.
- 4**: A small component, possibly a spring or lever.
- 5**: A small component, possibly a spring or lever.
- 6**: A small component, possibly a spring or lever.
- 7**: A small component, possibly a spring or lever.
- 8**: A large gear or wheel.
- 9**: A small component, possibly a spring or lever.
- 10**: A small component, possibly a spring or lever.
- 11**: A large, circular component, possibly a rotor or wheel.
- 12**: A small component, possibly a spring or lever.
- 13**: A small component, possibly a spring or lever.
- 14**: A small component, possibly a spring or lever.
- 15**: A small component, possibly a spring or lever.
- 16**: A small component, possibly a spring or lever.
- 17**: A small component, possibly a spring or lever.
- 18**: A small component, possibly a spring or lever.
- 19**: A small component, possibly a spring or lever.
- 20**: A small component, possibly a spring or lever.
- 21**: A small component, possibly a spring or lever.
- 22**: A small component, possibly a spring or lever.
- 23**: A small component, possibly a spring or lever.
- 24**: A small component, possibly a spring or lever.
- 25**: A small component, possibly a spring or lever.
- 26**: A small component, possibly a spring or lever.
- 27**: A small component, possibly a spring or lever.
- 28**: A small component, possibly a spring or lever.
- 29**: A small component, possibly a spring or lever.
- 30**: A small component, possibly a spring or lever.
- 31**: A small component, possibly a spring or lever.

A callout "not supplied" points to a component. A small inset shows "View A" of a component.
